Introduction

This booklet provides a list of ATRIO Health Plans' network pharmacies and includes some basic information about how to fill your prescriptions with ATRIO Health Plans. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by ATRIO Health Plans. In most cases, your prescriptions are covered under ***MyAdvantage I-Rx, MyAdvantage II-Rx, MyAdvantage II-Rx Plus, MyAdvantage Active Rx and MyAdvantage SNP*** only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription, you can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described later.

Can the list of network pharmacies change?

Yes, ATRIO Health Plans may add or remove pharmacies from our pharmacy directory. To get current information about ATRIO Health Plans network pharmacies in your area, please visit our Web site at www.atriohp.com or call our Customer Service Department at:

1-541-672-8620,
1-877-672-8620 (Toll Free) or
1-800-735-2900 (TTY)
Monday through Friday 8 a.m. to 5 p.m.

How do I find ATRIO Health Plans' network pharmacy in my area?

ATRIO Health Plans has included a list of pharmacies in this directory listed by type of Pharmacy. You will find Retail, Long Term Care, Home Infusion and Mail Order Pharmacies in this directory. All listings include addresses to assist with finding a pharmacy closest to you. If you need assistance locating a pharmacy that is in ATRIO Health Plan's network please visit our Web site at www.atriohp.com or call our Customer Service Department at:

1-541-672-8620,
1-877-672-8620 (Toll Free) or
1-800-735-2900 (TTY)
Monday through Friday 8 a.m. to 5 p.m.

How do I fill a prescription at a network pharmacy?

To fill your prescription at a network pharmacy, you must show your ATRIO Health Plans Member ID card. If you do not have your ID card with you when you fill your prescription, you may have to pay the full cost of the prescription (rather than paying just your co-payment). If this happens, you can ask us to reimburse you for our share of the cost by submitting a claim to us. To find out how to submit a claim, look in your Evidence of Coverage or call our Customer Services.

How do I fill a prescription through ATRIO Health Plans' mail order pharmacy service?

To order forms and get information about filling your prescriptions by mail, you may select one of our network pharmacies and contact them to start a mail order account. The pharmacy numbers are listed in this directory. The mail order pharmacy

will require copies of paper prescriptions requesting a three (3) month supply from your prescribing physician. Most physicians are aware of this policy and will write them that way. ATRIO can assist you in coordinating your transition to a mail order pharmacy. Please note that you must use the ATRIO Health Plans' mail order service. Prescription drugs that you get through any other mail order service are not covered.

When you order prescription drugs by mail, you must order at least a 60-day supply, and no more than a 90-day supply of the drug.

You are not required to use mail order prescription drug services to obtain an extended supply of maintenance medications. Instead, you have the option of using a retail pharmacy in our network to obtain a supply of maintenance medications. Some retail pharmacies may agree to accept the mail order reimbursement rate for an extended supply of medications for up to 90 days per dispensing, which may result in no out-of-pocket payment difference to you. Other retail pharmacies may not agree to accept the mail order reimbursement rate for an extended supply of medication. In this case, you will be responsible for the difference in price. Please look in the Evidence of Coverage or call our Customer Services for more information:

1-541-672-8620,
1-877-672-8620 (Toll Free) or
1-800-735-2900 (TTY)
Monday through Friday 8 a.m. to 5 p.m.

ATRIO Health Plans' network mail order pharmacies goal is to quickly send out your medications to you. If the pharmacy has all the required information from your physician, your mail order prescriptions will be on their way to your doorstep within 72 hours. ATRIO is available to coordinate getting the needed information to the network mail order pharmacy, please call our Customer Service Department with any questions or issues.

If you need an emergent fill of a prescription, ATRIO will pay for a fill at a network retail pharmacy. Your provider will need to call in a prescription for a one month fill to the pharmacy (in ATRIO's network) you would like to use. Once the pharmacy has your prescription ready, you may pick it up for one month prescription co-pay. ATRIO Health Plans will assist you with this coordination, please call our Customer Services Department at:

1-541-672-8620,
1-877-672-8620 (Toll Free) or
1-800-735-2900 (TTY)
Monday through Friday 8 a.m. to 5 p.m.

Filling prescriptions outside the network

Generally, we only cover drugs filled at an out-of-network pharmacy in limited, non-routine circumstances when a network pharmacy is not available. Below are some circumstances when we would cover prescriptions filled at an out-of-network pharmacy. **Before you fill your prescription in these situations, call Customer Services to see if there is a network pharmacy in your area where you can fill your prescription.** If you do go to an out-of-network pharmacy for the reasons listed below, you may have to pay the full cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. However, even after we reimburse you for our share of the cost, you may pay more for a drug purchased at an out-of-network pharmacy because the out-of-network pharmacy's price is higher than what a network pharmacy would have charged. You should submit a claim to us if you fill a prescription at an out-of-network pharmacy as any amount you pay, consistent with the circumstances listed above, will help you qualify for catastrophic coverage.

To learn how to submit a paper claim, please refer to the paper claims process described next.

ATRIO Health Plans may cover prescriptions filled at an out of network pharmacy. Once ATRIO Health Plans receives a receipt and documentation with medication, dose and number of pills it will go to our Pharmacy Review Team. If the medication is on ATRIO Health Plans' formulary and if payment meets the pharmacy benefit guidelines; ATRIO Health Plan will pay for the medication and send you a reimbursement check minus your co-pay. If the medication is not on ATRIO Health Plans' formulary, has step therapy, pre-authorization guidelines or quantity limits; the medication criteria must be met before ATRIO Health Plans will pay for the medication per your pharmacy benefit minus your co-pay.

How do I submit a paper claim?

When you go to a network pharmacy, your claim is automatically submitted to us by the pharmacy. However, if you go to an out-of-network pharmacy for one of the reasons listed above, the pharmacy may not be able to submit the claim directly to us. When that happens, you will have to pay the full cost of your prescription. When you return home, simply submit your claim and your receipt to the following address:

ATRIO Health Plans
PO BOX 8003
Roseburg, Oregon 97470

Upon receipt, we will make an initial coverage determination on the claim. Please refer to your Evidence of Coverage or call Customer Service for more information on initial coverage determinations.
