## SECTION 1 Changes to Benefits and Costs for Next Year

### Section 1.1 – Changes to the Monthly Premium

Cost	2019 (this year)	2020 (next year)
<b>Monthly premium</b> (You must also continue to pay your Medicare Part B premium.)	\$0	\$0

### Section 1.2 – Changes to Your Maximum Out-of-Pocket Amounts

To protect you, Medicare requires all health plans to limit how much you pay “out-of-pocket” during the year. These limits are called the “maximum out-of-pocket amounts.” Once you reach this amount, you generally pay nothing for covered services for the rest of the year.

Cost	2019 (this year)	2020 (next year)
<b>In-network maximum out-of-pocket amount</b> Your costs for covered medical services (such as copays and deductibles) from network providers count toward your in-network maximum out-of-pocket amount.	\$6,700	\$3,900 Once you have paid \$3,900 out-of-pocket for covered services from network providers, you will pay nothing for your covered services from network providers for the rest of the calendar year.
<b>Combined maximum out-of-pocket amount</b> Your costs for covered medical services (such as copays and deductibles) from in-network and out-of-network providers count toward your combined maximum out-of-pocket amount.	\$10,000	\$5,500 Once you have paid \$5,500 out-of-pocket for covered services, you will pay nothing for your covered services from in-network or out-of-network providers for the rest of the calendar year.

### Section 1.3 – Changes to the Provider Network

There are changes to our network of providers for next year. An updated Provider Directory is located on our website at [atriohp.com](http://atriohp.com). You may also call Customer Service for updated provider information or to ask us to mail you a Provider Directory. **Please review the 2020 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, we must furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days’ notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed, you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan, please contact us so we can assist you in finding a new provider and managing your care.

## SECTION 2 Deciding Which Plan to Choose

### Section 2.1 – If you want to stay in ATRIO Bronze

**To stay in our plan you don't need to do anything.** If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically stay enrolled as a member of our plan for 2020.

### Section 2.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change for 2020 follow these steps:

#### **Step 1: Learn about and compare your choices**

- You can join a different Medicare health plan timely,
- -- OR-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, there may be a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, read *Medicare & You 2020*, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2).

You can also find information about plans in your area by using the Medicare Plan Finder on the Medicare website. Go to <https://www.medicare.gov> and click “Find health & drug plans.” **Here, you can find information about costs, coverage, and quality ratings for Medicare plans.**

As a reminder, ATRIO Health Plans offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

### **Step 2: Change your coverage**

- To change to a **different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from ATRIO Bronze.
  - To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from ATRIO Bronze.
- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact Customer Service if you need more information on how to do this (phone numbers are in Section 6.1 of this booklet).
  - – *or* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

## **SECTION 3 Deadline for Changing Plans**

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2020.

### **Are there other times of the year to make a change?**

In certain situations, changes are also allowed at other times of the year. For example, people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area may be allowed to make a change at other times of the year. For more information, see Chapter 8, Section 2.3 of the *Evidence of Coverage*.

If you enrolled in a Medicare Advantage plan for January 1, 2020, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2020. For more information, see Chapter 8, Section 2.2 of the *Evidence of Coverage*.

## **SECTION 4 Programs That Offer Free Counseling about Medicare**

The State Health Insurance Assistance Program (SHIP) is a government program with trained counselors in every state. In Oregon, the SHIP is called Senior Health Insurance Benefits Assistance Program (SHIBA). SHIBA is independent (not connected with any insurance company or health plan). It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. SHIBA counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call SHIBA at 1-800-722-4134. TTY/TDD users should call 1-800-735-2900.

## SECTION 5 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs.

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. Many people are eligible and don’t even know it. To see if you qualify, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;

  - Your State Medicaid Office (applications).
- **What if you have coverage from an AIDS Drug Assistance Program (ADAP)?** The AIDS Drug Assistance Program (ADAP) helps ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance. In Oregon, the ADAP is called CAREAssist. CAREAssist can be reached by calling 1-800-805-2323. Note: To be eligible for the ADAP operating in your State, individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status.
- If you are currently enrolled in an ADAP, it can continue to provide you with Medicare Part D prescription cost-sharing assistance for drugs on the ADAP formulary. In order to be sure you continue receiving this assistance, please notify your local ADAP enrollment worker of any changes in your Medicare Part D plan name or policy number. CAREAssist can be reached by calling 1-800-805-2323.

For information on eligibility criteria, covered drugs, or how to enroll in the program, please call CAREAssist at 1-800-805-2323.
