ATRIO Health Plans has PPO and HMO-SNP plans with a Medicare contract. Enrollment in ATRIO Health Plans depends on contract renewal. Out-of-network/non-contracted providers are under no obligation to treat ATRIO Health Plan members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Which doctors, hospitals and pharmacies can I use?

ATRIO Health Plans has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers in our network, you may pay less for your covered services. But if you want to, you can also use providers that are not in our network. You must generally use network pharmacies to fill your prescription drugs. You can see our plan's Formulary (Part D prescription drug list), Provider Directory and Pharmacy Directory at our website, atriohp.com.

Tips for comparing your Medicare choices

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at <http://www.medicare.gov> or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY/TDD users should call 1-877-486-2048.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-877-672-8620

Understanding the Benefits	
<input type="checkbox"/>	Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Visit atriohp.com or call 1-877-672-8620 to view a copy of the EOC.
<input type="checkbox"/>	Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
<input type="checkbox"/>	Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
Understanding Important Rules	
<input type="checkbox"/>	In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
<input type="checkbox"/>	Benefits, premiums and/or copayments/co-insurance may change on January 1, 2021.
<input type="checkbox"/>	Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.

Summary of Benefits: January 1, 2020 – December 31, 2020

Coverage Gap Stage

Most Medicare drug plans have a coverage gap (also called the "donut hole"). The coverage gap begins after the total yearly drug cost reaches \$4,020.

After you enter the coverage gap, you pay 25% of the plan's cost for covered brand name drugs and 25% of the plan's cost for covered generic drugs until your costs total \$6,350, which is the end of the coverage gap.

Catastrophic Coverage Stage

After your yearly out-of-pocket drug costs reach \$6,350, you pay the greater of:

- 5% of the cost, or
- \$3.60 copay for generic and an \$8.95 copayment for all other drugs.
